CONSIGLI PER LA SMACCHINATURA

CLEO: Data la particolare struttura del filato, si consiglia di lavorare due o più guidafile al fine di rendere più regolare l'effetto della laminatura argento.

QUANTITÀ OTTIMALI

MOON, COCO e CLEO:

Per colori pronti: minimo una rocca (kg. 1) a colore.

Per colori non pronti: minimo una scatola (kg. 20/22) a colore.

CONSIGLI PER IL TRATTAMENTO

Si consiglia di effettuare una prima fase di lavaggio in acqua a 30°C con utilizzo di sapone neutro, e una seconda fase di trattamento in acqua fredda con utilizzo di ammorbidente siliconico cationico.

SIMBOLI DI LAVAGGIO

KNITTING ADVICES

CLEO: Due to the particular construction of the yarn we suggest to knit with two or more thread guides in order to keep more regular the effect of the silver ribbon.

OPTIMUM QUANTITIES

MOON, COCO e CLEO:

Available colours: minimum one cone (kg. 1) each colour.

Not available colours: minimum one box (kg. 20/22) each colour.

WASHING INSTRUCTIONS

We suggest to proceed with water washing at 30 degrees using neutral soap and subsequently proceed with a treatment in cold water using silicone cationic softener.
